**Netaskinan Development (GP) Ltd.**

## Forest Industry Open House & Information Sessions

The Companies would like to share information and hear from Industry, First Nations, Trappers, Recreational Users, and Members of the Public about our proposed harvesting, hauling and reforestation activities. Please come to our events to talk to forestry representatives about:

- General information about the forest industry and the Companies
- The General Development Plan projecting the location of activities for the next 5-years
- The 2019 Reforestation and Bend and Break Programs.
- The Tolko mill, thermal energy plant and other projects.
