

Due to the cancellation of the Dene Thá First Nation 2020 Annual Assembly because of the COVID-19 pandemic, the grad recognition event during the gathering unfortunately will not occur.

**We are planning to do a virtual recognition this year, and planning on sending you your grad gifts.** Therefore, if you are graduating this year from high school or a post-secondary program, please email [debbie.ahkimnachie@denetha.ca](mailto:debbie.ahkimnachie@denetha.ca) the following:

Your grad photo or picture of yourself;  
Your certification type and school name;  
Your program of studies for PS students; &  
Your mailing address.

**On behalf of the Dene Thá First Nation, congratulations on your much deserving achievements, especially during this difficult time. Hats off to you and good luck with your future endeavours. Stay safe and healthy.**
