EMERGENCY MANAGEMENT TEAM

COVID-19

Spend time with people you know. The smaller the group the better.

If possible, host your party outside. It's easier to keep a healthy distance between guests and there's better air circulation.

If the party is indoors, keep it small and maintain 2 metres away from people in other families and cohorts.

Don't share drinks, snacks, cigarettes, vapes or cannabis. And NO bobbing for apples.

Choose games and activities that don't involve sharing items, and allow for distancing:

- Set up art and craft stations so that each guest has their own materials (no sharing)
- Instead of face painting, hand out temporary tattoos or stickers that guests can put on themselves.
- Make sure any shared items are sanitized between uses.
- Wash or sanitize your hands often. Have hand sanitizer easily accessible.
