# HALLOWEEN DURING COVID-19

Print posters from Alberta.ca to hang in your window or place on your door to let trick-or-treaters know if you're handing out treats this year or not.

Wear a mask and use tonge or a grabber to handle treats

Keep a healthy distance from trick-or-treaters. If possible, hand out candy from the driveway, open garage, or lawn instead of your front door.

Ask trick-or-treaters to knock instead of ringing the doorbell.

If you are indoors (school, apartment building, or mall) use a table or desk to keep a safe distance from trick-or-treaters (e.g. school classroom, apartment building, mall)

Avoid handling treats:

- Use prepackaged candy (no homemade treats)
- Hand treats out directly from the package they came in
- Don't leave self-serve bowls of bulk candy
- Make candy bundles/bags and space them out on a table or blanket for trick-or-treaters to take
- Get creative! Build a candy slide down your front steps or railing. Build a safe candy catapult. There are many fun ways to hand out treats while maintaining physical distance
