RE: Inflation Relief Subsidy

To: All Dene Tha First Nation Registered Members

In the past couple of months, our Nation and its members have been hit hard with the rising costs of energy, food, and fuel. Dene Tha First Nation will be providing all our registered members with a one-time Inflation Relief Subsidy:

- DTFN Members who are 18 years of age and older will receive *\$1000.00 per adult.*
- DTFN Members 17 years of age and under will also receive *\$500.00 per child, payable to the parent/legal guardian.*

Each adult in a family needs to submit a form but only one parent can receive the subsidy for the children.

The Inflation Relief Subsidy will be issued to all living, registered DTFN Members as of December 8, 2022, and will be released on December 16 & 19, 2022, by either cheque or direct deposit. Deadline to submit is December 14, 2022.

Please take note of who your direct contact will be. Forms can be picked up at your local band office or also available on our website. All completed forms and/or questions are to be emailed to:
