

# PROJECT

## Safer Communities, Healthier Forests

### Dene Tha' Lands Department Chateh FireSmart Project

Flagging of the boundaries will start this week. Field activities will start at the beginning of February.

Please be cautious of smoke as crews will also be burning debris in this area.

Firesmart activities will occur in areas outlined in yellow

## SAFER COMMUNITIES HEALTHIER FORESTS

For more information please contact  
Fred Didzena at 780-926-1790

FireSmart is living with and managing for wildfire.

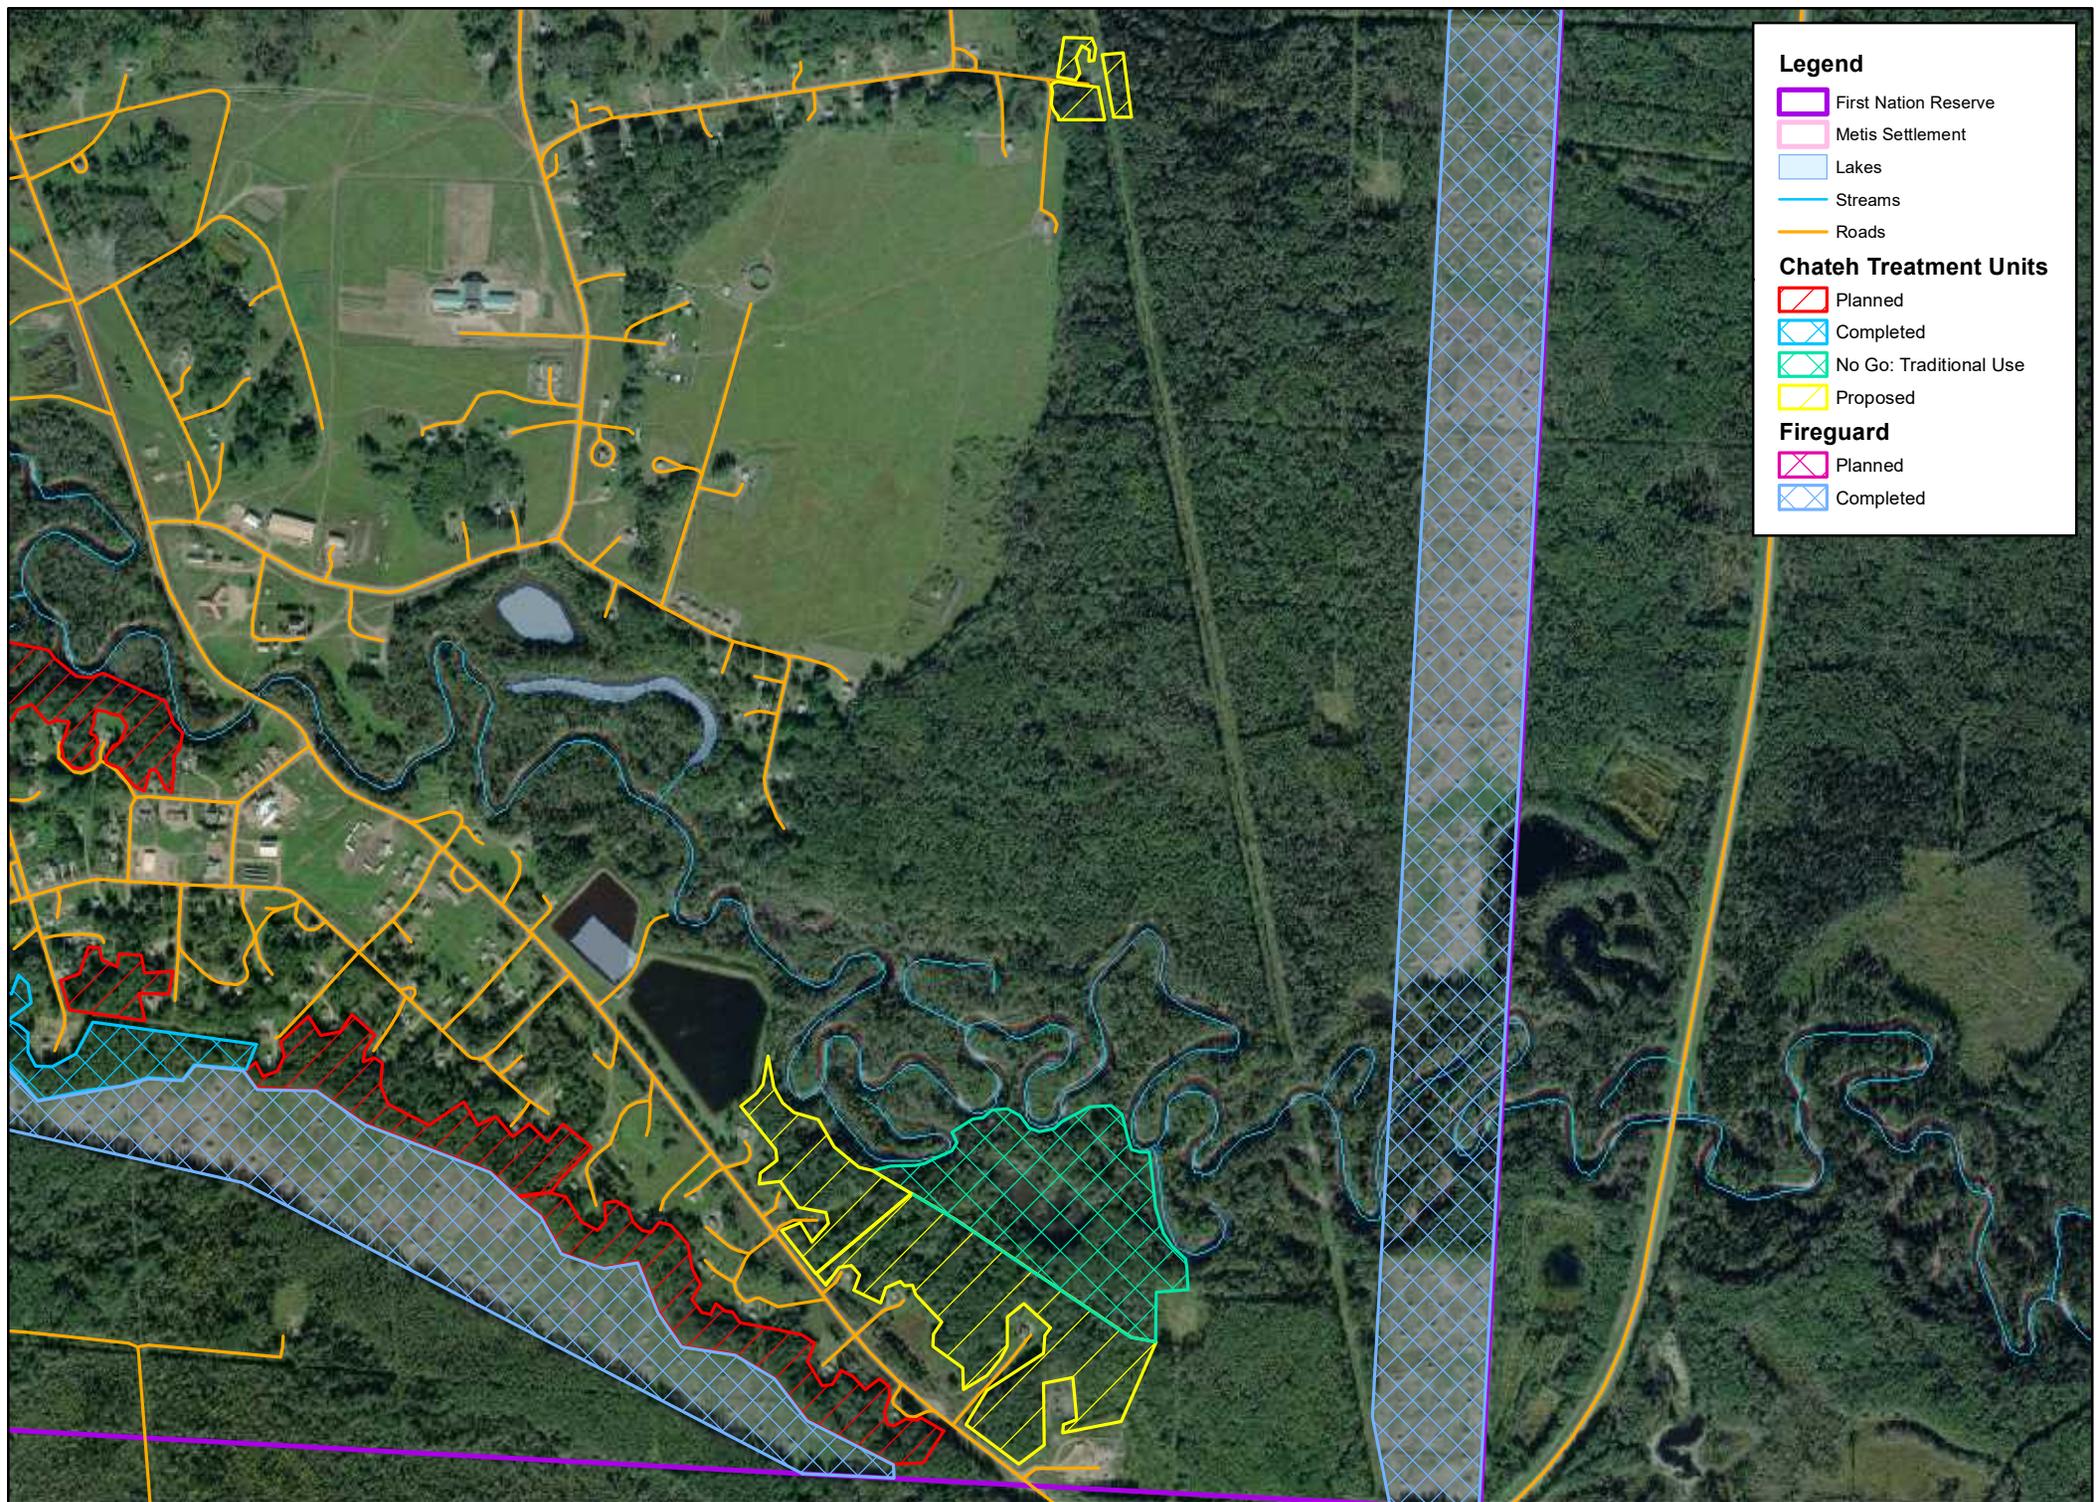

Preparing for the threat of wildfire is a shared responsibility. Community members, community leaders, forest companies, industry and government all have responsibility to lessen the effects of wildfire.

FireSmart uses preventative measures to reduce wildfire threat to Albertans and their communities while balancing the benefits of wildfire on the landscape.

By working together, we are moving toward a FireSmart Alberta.

For more information about protecting your home and community visit [wildfire.aberta.ca](http://wildfire.aberta.ca) or contact the High Level Agriculture and Forestry office at (780)926-3761.
